

We thank you for helping us provide support, acceptance, and the reminder to those we serve that homelessness is not a condition but a situation.

Our deepest gratitude and peace to you in the coming year.

THE Art OF Humanity

Shedding Light and Warmth on an Invisible Community

The holidays can be particularly hard when you feel there is little to look forward to. Winter adds a physical element to the suffering of young people experiencing homelessness. In the spirit of Fraser, Ltd.'s Art of Humanity Project, we hope to make the holiday season a little brighter for the transition aged young adults, their families, and other members in our community often deemed "invisible." We will be providing meals and activities throughout November and December. We are asking our community to help contribute to these special events through donations to the food pantry, meals, gift certificates, door prizes, financial support, or services.

NOVEMBER 17 11AM-1PM

Hunger and Homelessness Awareness Week

- Taco Bar
- Drawing for \$50 Gift Certificate and Door Prizes
- Quilt, hygiene products, clothing and food will be available

NOVEMBER 23 STARTING 1PM
